THE SALSA  
DIAMOND COLLECTION

WELCOME TO YOUR NEW HOME...

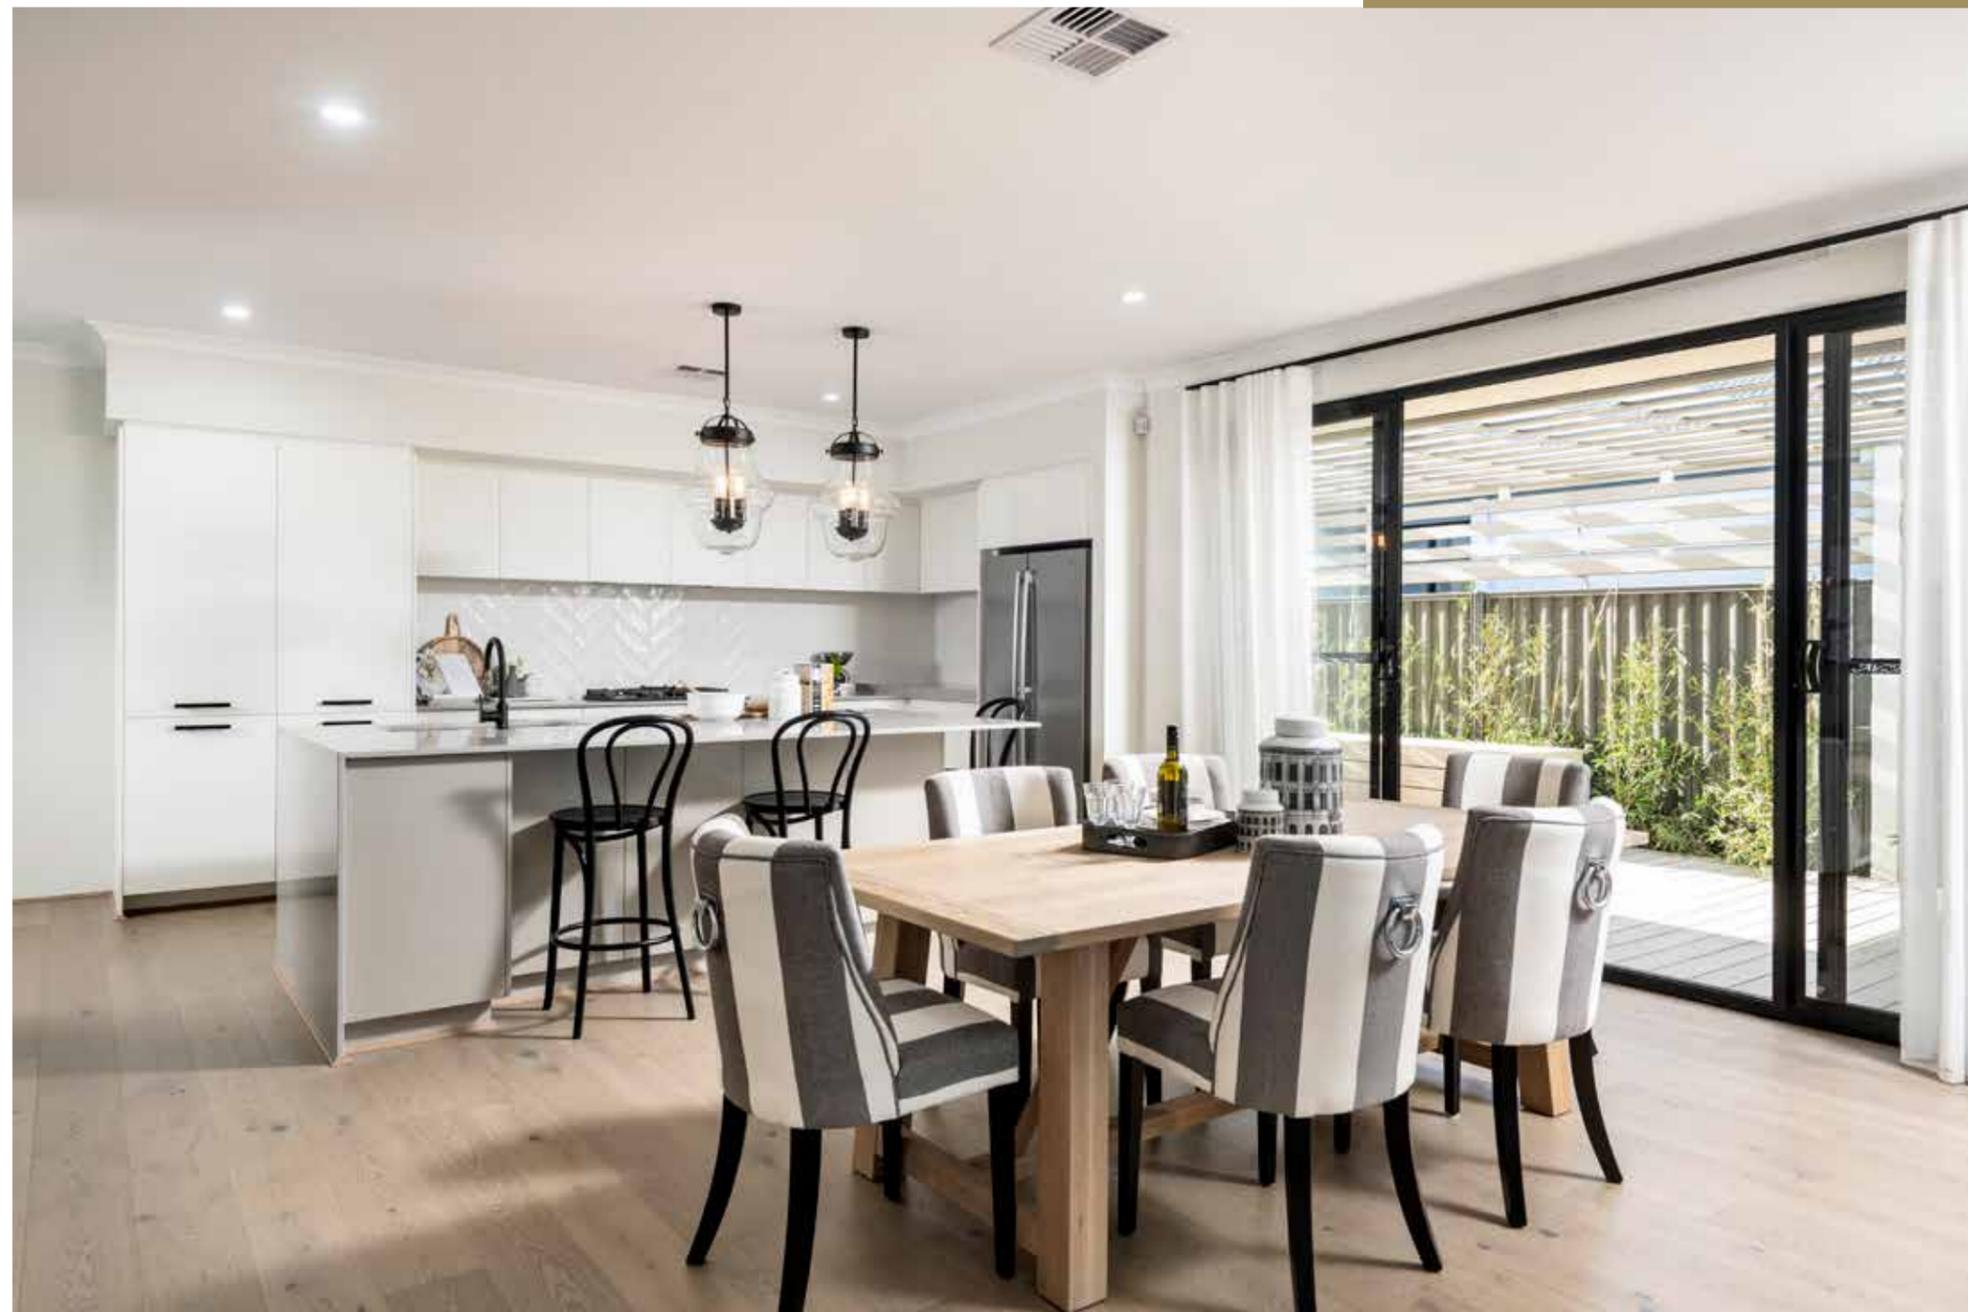

## PEAK SOPHISTICATION MEETS FAMILY LIVING IN THE SALSA

Featuring a massive stone island bench in an impressively sized open plan living area, the Salsa makes entertaining a dream.

With its beautiful Essastone benchtops throughout the home and premium features, this Diamond Display home showcases the modern style and luxury we're known for.

Whether you're a movie buff, cooking enthusiast or avid entertainer, the Salsa brings everyone together - all under one roof.

This stunning display home is open and available for both public and private viewings at Huntington Parkway in Landsdale; we invite you to experience the height of luxury found in every Content Living display home.

## THE SALSA DIAMOND

Boasting four spacious bedrooms, a generously sized home theatre, and even an IT hub, the Salsa has something for every member of the family.

Find your ideal space and live in luxury in this stunning addition to the Diamond Range; you're sure to appreciate the attention to detail throughout the home.

When you enter a Content Living display home, what you see is what you get.

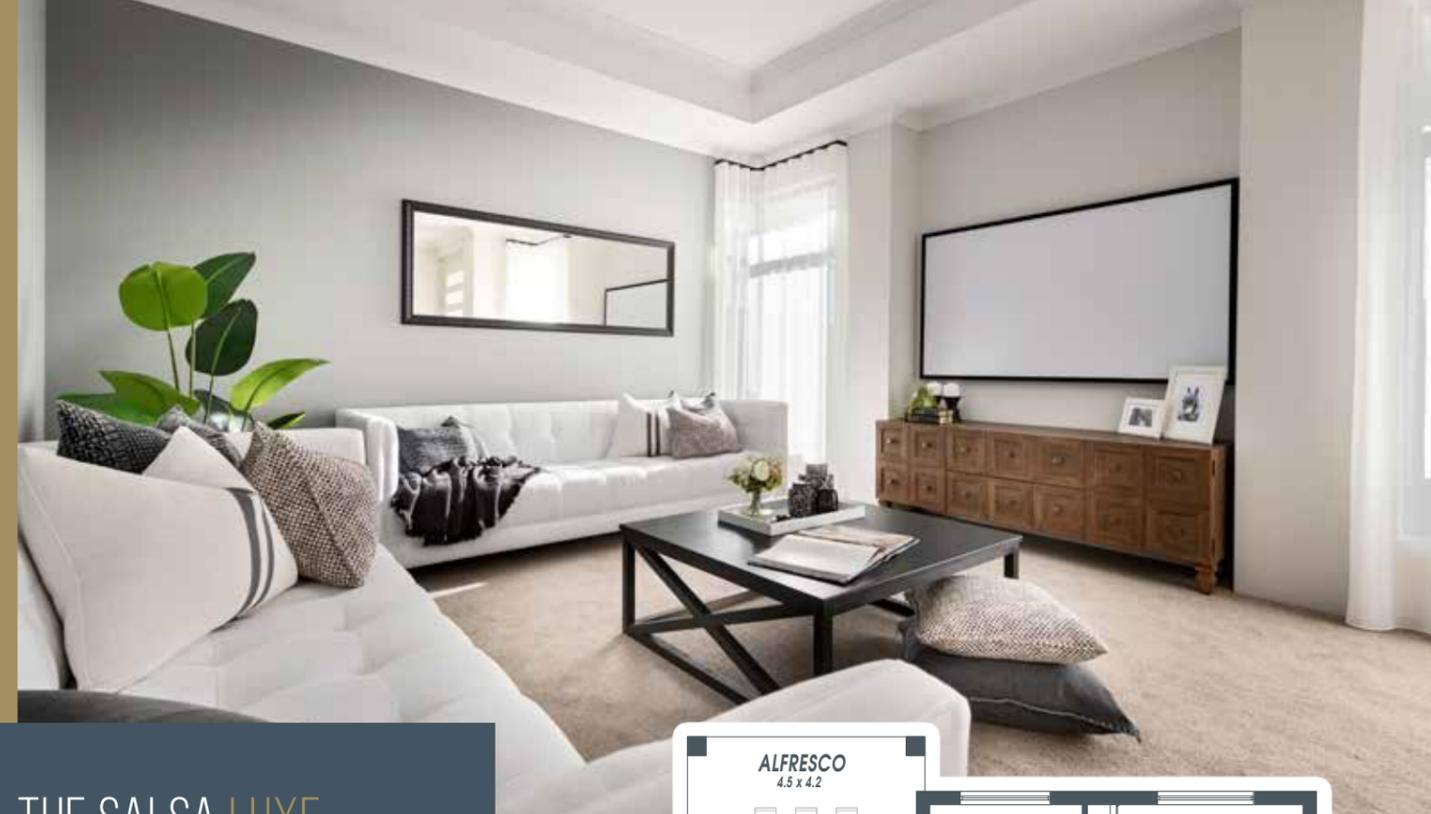

We strive to offer a building experience, that is honest, up-front and free of smoke and mirrors.

We offer premium quality features throughout, like your gourmet kitchen with Essastone benchtops.

You'll also love the quality appliances and glass splashbacks in the kitchen, as well as the hotel-inspired master bedroom with fitted walk in robe and luxury ensuite.

Designed for 15m lots | Total area: 279m<sup>2</sup>

## THE SALSA LUXE

When you're building your new home, it's important to choose what's right for you.

With our Luxe Range, the choice is yours to customise your home's inclusions and make your very own masterpiece.

Add your own personal touches and define your space, with our flexible options.

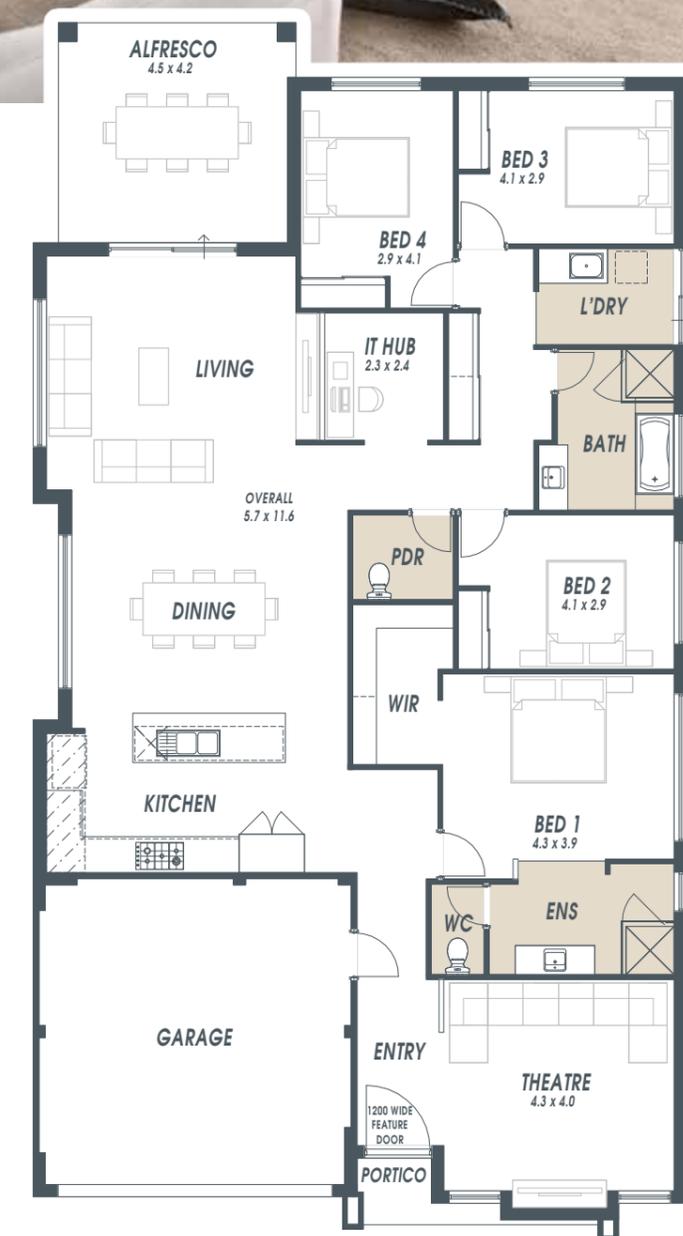

Luxe Range homes offer the perfect opportunity to start with a professionally designed home and tailor it to your needs.

There's no better way to ensure your new home works perfectly for your family's unique lifestyle; we're here to help.

Our team of professionals have helped thousands of families create their own personal havens and are ready to take you through the creative process of making your home truly unique.

See next page for full specification.

Designed for 15m lots | Total area: 265m<sup>2</sup>
