

DISCOVER LUXURY LIVING IN THE EDEN

Measuring 218.57m², the Eden is the perfect home design for your family. With 4 large bedrooms, a huge theatre room and a great sized alfresco, this home ticks all the boxes.

The open plan kitchen, living and dining area is absolutely stunning, and makes this home great for spending time with your family or entertaining guests. The kitchen includes a scullery, so you will always have plenty of bench space and somewhere to hide the dirty dishes when you have guests over.

The Eden comes with a huge list of impressive inclusions, meaning you will get a lot more for your money. To add to the scullery, the kitchen also has a super sized 1200mm island bench, Essastone benchtops throughout, 900mm wide Westinghouse appliances and elegant glass splashbacks.

We have a consultant onsite at all our display homes, they will happily answer any of your questions and advise you on how to get started towards owning your own home.

Call and chat to one of our expert team today, we will help you get into your dream home sooner rather than later.
